

NOTICE

PARTICIPATION IN THE INTRODUCTION TO INSURANCE COURSE

Please be advised that a decision was taken by the Board of Directors of College of Insurance and Professional Studies (CIPS) that effective **January 2023**, **ALL** entrants to the insurance industry will be required to participate in the Introduction to Insurance course where the Insurance Act is covered in detail. This will replace the Insurance Act Sales Representative tutorial and the Insurance Act Examination.

The decision was taken after detailed discussions and considerations in order to expose members of the industry to:

- Elements Insurance Act
- Ethics
- History of the insurance industry in Jamaica

We look forward to the opportunity to train your members of staff as we ensure that we have a well-trained work force in the insurance industry.
