PROFESSIONAL STUDIES**

Christmas Term Catalogue

The College of Insurance and Professional Studies

September - December 2026

About Us:

The College of Insurance and Professional Studies (CIPS) is Jamaica's leading institution for education and training in insurance. For over four decades, CIPS has been creating meaningful career opportunities; preparing individuals not just for today's workforce, but for a lifetime of learning and professional advancement. Programmes are practical, career-focused, and aligned with industry demands. Students learn from seasoned professionals who bring real-world experience directly into the classroom.

Vision:

An innovative, agile, market-driven employer of choice and the Caribbean's premier institution for professional development in the Insurance Industry.

Mission:

To enable Insurance Companies, Brokers and Agents to meet their respective business objectives by improving staff capability.

Core Values:

Knowledge Professionalism Integrity
